I want:

a kid-friendly atmosphere

to find a date night location

a cup of coffee

to know if RV really know wine

to see if they have wifi

a meeting room

to know hours and location

to find an open mic

a place to display my art

So that:

meet friends and relax

we can have a nice night out

I can get out without going far

I can find new and unusual wines

I can work, study

my group can meet

I can grab some coffe or a bite
while I ...

I can perform live

I can get my work shown
