Both are a community gathering spot
The 1908 building that is home to the Riverview Cafe and Wine Bar has been a neighborhood destination for over a century.

At one point the space was the home of a soda fountain, and it was the place to take a date, bring the family on a lazy weekend afternoon, and catch up on the latest happenings around town.

When we opened the Riverview Cafe in 1998, we wanted the building to once again be the hub of community life and a local destination and be:

- a place for neighbors to gather over a cup of coffee or glass of wine
- a place where parents and kids would be welcome
- a great place for a romantic date night.

More than fifteen years later we've seen first dates, babies grow up, and neighbors become like family.

Looking for Live Music?
Local bands ranging from bluegrass to vintage pop perform in our cafe on Friday and Saturday nights. Sunday nights, a live band performs jazz classics in the wine bar.

Show Case
Every few months, we transform the cafe into an intimate concert hall for live performances by notable musicians.

We close the cafe, create concert-style seating, light the candles, and enjoy an hour-long performance by nationally- and internationally-known musicians.

Tickets for these not-to-be-missed Showcase events are available for purchase at the Cafe Xor through eventbrite?X .

Open Mic Night
If you're feeling adventurous, bring your instrument to the cafe for our Thursday night open mike session from 7 p.m. to 10:30 p.m.

Art
Longfellow has a vibrant artist community, and we love to showcase the work of local talent.

Every month the walls of our cafe are filled with works by local artists.

If you are an artist interested in showing your work in our cafe, please contact David Bernick at XemailX.

Currently we are featuring the work of Ricardo Levins Morales.
